MAX KADE TRAVEL SCHOLARSHIP

Thanks to the generosity of the Max Kade Foundation, the German Program in the Department of LLL invites applications for Student Travel Awards for study abroad or research in a German speaking country. The awards of \$ 1,200 are meant to offset the costs traveling abroad and to make study abroad more affordable. They also serve as encouragement to take advantage of SU's study abroad opportunities. For more information about SU's three world partner centers in Berlin, Freiburg, and Graz, visit the SU Abroad website and look under Austria and Germany: <http://suabroad.syr.edu/destinations/worldpartners/europeprograms.html>

Preference is given to students with a strong interest in German language and culture, majoring or minoring in German. Undergraduate and graduate students from other fields who have an academic interest in study or research abroad in Germany, Austria or Switzerland may also apply.

Deadline: October 1, for study abroad in the following calendar year

A semester abroad will contribute to increased linguistic and cultural proficiency in German. Knowledge of more than one's own culture and language is an invaluable asset in an increasingly globalized world. Students often testified how much they enjoyed studying a semester or a year in another country. For many, this is a life changing experience.
